

# Batawa SKI HILL

Employer	Batawa Community Sports Inc (Batawa Ski Hill)
Title	Snowmaker
Status	Seasonal
Department	Operations
Report to	Operations Supervisor

---

## JOB SUMMARY

Snowmaker is a seasonal position. This job involves working as part of a team to open and maintain skiing terrain with the best possible snow that can be created. Our reputation depends on the snow you create! Snowmakers must be a minimum of 16 years of age.

## DUTIES

- Produce quality snow using both air/water and fan equipment
- Work up to 12-hour shifts during day and night hours (weather permitting)
- Perform all tasks safely according to Health and Safety Regulations
- Adjusting, turning, or moving of snow guns, sometimes by hand, to maintain snowmaking efficiency
- Adjusting the water and or air flow to snow guns
- Changing nozzles on snow guns when necessary to maintain efficiency
- Work closely with and assist other departments such as Grooming, Ski Patrol, Lift Operations, and Special Events
- Operate safely various electrical and pressurized air and water equipment according to BSH guidelines
- Operate safely various types of motorized equipment on and off the hill according to BSH and manufacturer's guidelines
- Perform minor maintenance duties as required
- Willing to help out other departments when needed or assigned

## ESSENTIAL SKILLS AND REQUIREMENTS

- Good teamwork skills, mature, energetic, dependable, and self-motivated
- Physically able to perform manual tasks as position requires standing/walking/bending/lifting/carrying throughout shift
- Capable of working outdoors in all weather conditions
- Ability to think and work independently
- Good mechanical aptitude, preferably demonstrated in previous experience
- Valid driver's license
- Snowmaking experience is an asset
- Skidoo, ATV experience is an asset
- Demonstrated ability to work safely in difficult environments
- Strong work ethic and commitment to excellence
- Knowledge of emergency procedures
- High School diploma or working towards diploma
- Always demonstrates a professional image through appearance and uniform dress
- Successful completion of tests (WHMIS, jPrep or other department requirements)

**WORKING CONDITIONS AND HAZARDS**

- Ergonomic hazards associated with frequent standing, loading, lifting, and pulling
- Cold environments and frequently at night
- Slips and falls, and risks associated with working with heavy equipment and machinery
- Overnight shifts

**PPE:**

- Cold weather clothing.
- Request proper footwear anti-skid be worn.

Batawa Ski Hill works to ensure the highest level of employee training specific to the requirements of the job; working alongside employees to ensure their confidence and provide a safe and secure workplace for all.
